Your experience begins with a customized consultation, balancing face shape and features for the perfect cut. Experience Estilo's signature scalp, neck and shoulder massage followed by a shampoo, hot towel wrap, cut and a finishing lesson for at home styling ease.

## ESTILO CURLY CUTS

The curly cut is a unique haircut that focuses on sculpting each curl and cutting it at an angle so the curl pattern is not disrupted. Each cut is done on dry hair and is customized for your curl type pattern.

## ESTILO COLOR

The **AVEDA** Difference. Up to 96% naturally derived and essentially damage-free. Want vibrant, fade-resistant color that improves the condition of every strand? **AVEDA** full-spectrum hair color has you covered. From permanent hair color services to Shine on services, it's hair color customized just for you for personalized results every time.

## ESTILO SHINE ON

Our Shine On Treatment enhances color and shine to natural or color treated hair, while improving the overall shine & condition. Helps to seal the cuticle, which adds a layer of protection from everyday elements and can decrease color fading. Leaves hair feeling soft, looking shiny and healthy, and you feeling fabulous.

## ESTILO WAXING SERVICES

We suggest that hair growth be a minimum of 1/4" long for the best results in our waxing services. For personal comfort, limit your caffeine intake before waxing. Also limit sun exposure for 24 hours prior to service is recommended.
